Choices

Within some grades, students have to choose between certain subjects. Please, after deliberating with your child, indicate the preferred choice (choose only one per option). We strive to give your child the option that is preferred, if possible.

For students MYP 2, 3, 4 and 5: French Spanish

For MYP 4 and 5 students: Visual Arts Performance Arts Design

For MYP 4 and 5 students: Math Extended Math

Dietary

Does your child have any allergies (e.g. lactose, gluten)? Allergies require medical certificate.

Does your child follow an alternative food diet? (E.g. veg, no pork/beef, no fish)

Does your child require medicine if eating the "wrong" food? If so, give information on the medication.

Please let your child answer the following questions.

What do I want to know from my new school?

What do you want your new teachers to know about you?

Fritids (Before and After-School Care)

Fritids is a before and after-school programme for students to continue their education in meaningful, informal and organized way, whilst allowing parents to stay at work or study. It is for all students until the age of 13 (incl. MYP 1 and 2). However, for your child to be eligible to attend Fritids, both parents must be working or studying and therefore need care for their children outside of school hours. Otherwise one has right to 2 afternoons a week.

Does your child need to attend Fritids: Yes No

Comments

Feel free to add any comments you wish the school, or the future teachers, need to know about your child. It could also include questions if you have any.

Documents that need to be submitted

To make your application complete, make sure that you include the following documents.

- Last 2 report cards from current school attending
- Possible ATL skill report (if your child has attended an IB school previously)
- Letter of Employment
- Vaccination Report
- Contact details of the current mentor
- Documents indicating that your child meets one or more of our admission criteria

Our school nurse will contact you within the first few weeks of enrollment. This is to ask for your child's medical journal (so make sure you bring it from abroad in case you move to Sweden) and to fill in a medical information form. It could also be that they ask you to translate the vaccination report cards, but this is not always needed.

Admission Criteria

Criteria:

The school is run by the local Board of Education and is open to international families living in the area on a temporary basis. The criteria for admission are:

- Pupils in international families moving to Älmhult and staying for a limited time.
- Pupils in families moving to Älmhult or the region who have attended an International School abroad for a major part of their education and therefore have a reason to complete his / her education in an International School. **Having attended an International Preschool is not a given condition to be enrolled.**
- Pupils living permanently in Älmhult or the region who in the near future will continue their education in an International School abroad.
- Pupils from a home in which English is the language spoken by one or both parents and who have sufficient knowledge of the language to participate in classes (Pupils need, by law, to be able to speak enough English to follow the lessons. This is not a criterion for pupils starting the pre-school).

That said, pupils with significant educational needs are not entitled to international schooling according to the Swedish Education Act. This includes pupils who are eligible for Specialskolan, Chapter 7 §§5 and 6, and pupils who are deaf and/or blind, or with severe language impairment. Additionally, pupils living outside of Älmhult's municipality need to get permission from the residing municipality.

Applications are accepted throughout the year if one of the admission criteria is met. Offered places are subject to the number of available places in the respective grade – otherwise the pupil will be placed in our waiting pool.

Pupils are placed based on their age in the given class. An exception is regarding admission to MYP 5: in case of no previous IB experience, a pupil will be placed in MYP 4 instead.

We always try to arrange a meeting with both the student and parents prior to entry to school. We want to present the school and our curriculum and try to get to know the family beforehand.
